## **Gratitude expressed for staff compassion**

**To the editor:**

Words cannot truly express the gratitude and deep appreciation for the compassion, competence and consideration of the staff of Stearns

Unit #1 at Sullivan County Health Care in Unity.

My family and I thank the nurses and staff for caring for my wife through her long illness and death on Friday, Jan. 17, 2007.

We will never be able to repay your kindness and support through these hard times.
